

## **Prof. Dr. Gottfried Schatz**

Professor emeritus of biochemistry  
Biozentrum, Universität Basel

# **What it takes to succeed as a scientist**

"I have spent virtually all of my adult life in basic research and academic teaching. How did I get started? What did this life give me? What did it demand of me? What would I do differently if I could start all over again? I shall try to answer these questions and to define the qualities of a successful scientist."

**Friday, January 28th, 2011, 4.00 pm**

Lynen-Hörsaal, Gene Center Munich  
Ludwig-Maximilians-Universität München  
Feodor-Lynen-Strasse 25  
Campus Großhadern
